

## In This Issue of Saving Military History One Soldier at a Time

We have a lot of news and information for you in this issue. The past 45 days have been very busy with donations, projects and exhibits-events.

Let's deal with the elephant in the room first. We will temporarily suspend events and exhibits until this virus event is under control. However, we will use this opportunity to work on many projects including updates to our websites. And while everybody is 'stranded' at home we will throw out a request for volunteer transcription help !

We have participated in a number of events in the past 45 days so read on to see what all we have been doing.

There have been a number of fantastic donations arrive and we will be telling you about them as we get things sorted out.

Many brief unit histories of WW2 combat infantry, airborne and armored divisions have been added to one of our websites.

If you are not familiar with the awards in the picture to the right read about them below.

With that, enjoy this issue of our newsletter.

## Events

The past weeks we have have attended a 350 plus veterans luncheon at Roll Call, setup an exhibit of all service academy and ROTC graduates. This included both school-cadet uniforms as well as service related uniforms. This event put on by the America's Future Series included personnel of Army Futures Command and included speakers that included Major General Boe Young, (ret.), General Michael Moseley, USAF (ret). and Congressman Pete Sessions. During the evening an exhibit comprised of West Point graduates for the Magellas Award presentation to General Joseph Votel (ret.) and attended by General David Petraeus (ret),, Secretary of the Navy, Gordon England and many other dignitaries.

In a fast an furious 3-night schedule we began the following week with an all-airborne exhibit at the 103rd birthday party for Maggie Magellas the most decorated officer of the 82nd Airborne Division of World War II. This was followed by a Vietnam exhibit providing a backdrop for a kickoff fundraiser for the Fort Worth Veterans Memorial in the Fort Worth Veterans Park. This memorial will be built naming all natives of the city who perished in the Vietnam War. The following evening a small display with the Audie Murphy Chapter of the Association of the US Army and participation in their dinner program.

It was a very busy few weeks of the Sons of Liberty and Army Corps Museums out in the community.

### **MIAs - Missing in Action**

We have information on over 90,000 MIAs. This includes most all the World War II MIAs and some from World War I, Korea, Vietnam and the Cold War.

With our strategic partners, the MIA Recovery Network, we want to tell the last chapter in the life of these Citizen Soldiers.

We would also like your help in telling the first chapters of the lives of those still Missing in Action. Do you have service photos of a family member that is or was MIA? News articles? Service related material?

Sadly, many had/have not made provisions for their website to be continued and thus when the bill stops being paid, the website disappears and all the work and information is lost. We want to help and we need you to help us. If you know of a disbanding group, please have them get in contact with us; we would like to bring their website and information under our wing. If they want to continue to maintain it we can give them access to continue that as well. One of our top goals for this and every year is to preserve this history not lose it!

Not a WW2 unit? That's ok. We are also interested in your history and want to help preserve it. Korea, Vietnam and all other conflicts.

If your organization has physical materials such as uniforms, patches, photos and other memorabilia do you have plans for them when you cease operations? We would be honored to be the custodian of your group's history.
